

Senior Developer - VB.Net

- **Fast Growing Dynamic Company**
- **Based in Sydney's North**
- **Close to Transport and Parking**

The Company

Baseplan Software is a well established, best of breed ERP software company with a high profile in the Hire and Rental Industry.

Due to rapid growth and product development, Baseplan is looking to add experienced, professional, **Senior Developers** to our Sydney team.

The Position

The major product of Baseplan Software was developed in VB 6.0 and is now being converted and redeveloped in VB.NET. Working closely with Baseplan Clients, our Professional Services & Testing teams, you will be involved in the following :

- To be an effective programmer at a senior level;
- Ensure the quality and effectiveness of delivered solutions;
- Engaging effectively in all aspects of delivering software, client meetings, business analysis, design, development, testing, implementation, delivery and support;
- To be able to develop specifications of software solutions and modifications, estimate work hours required and translating to quotations to Clients;
- Maintaining existing software and providing new software solutions;
- Debugging program faults;
- Converting applications to new software platforms;
- Liaising with all other Baseplan departments;
- Other duties required.

Skills Required

- Capable and focused programmer
- Experience in Win forms, user interface, reporting, mid tier and database programming using VB.NET and SQL Server.
- Experience in VB.NET, SQL Server 2005 Stored Procedures, VB 6.0, Client Server Application Development, Crystal Reports.
- Degree in Computer Science, Information Technology or equivalent.
- Microsoft Certification MCAD/MCSD/MCSE/MCDBA preferred
- Ability to operate independently and as well as a strong team player.
- Excellent communication skills
- Attention to detail and fast learner

Qualifications Preferred

- At least 5 years experience in Software Development
- Exposure to accounting concepts

The position is based at our Sydney Head Office in Thornleigh which is close to rail and has free undercover parking.

Check our web site : www.baseplan.com for further information about our Company.

To be eligible to apply for this position, you must have an appropriate Australian or New Zealand work visa.
